## Washington Elementary School & WMS... Working Together...Making a Difference!

**Join Us!  
for a Community Work Day  
Sunday, April 27; 2:00 - 5:00**

WMS congregation members are invited to join WES families for an afternoon of fun and fellowship as we

work together to beautify the school both inside and out! There will be serving opportunities for folks of all ages and abilities (*everything from landscaping to painting and filing*). More impor-

tantly, this will be an opportunity for us to get to know the families of the students we have been working with and praying for all year. Following our time of serving, we will have a cookout. So mark your calendars

and make plans to join this time of serving as we continue to strive to make a difference and share God's love with the students and families of Washington Elementary school.

**Invite a Friend to Serve!**

“Just walking across a room” to invite a friend or co-worker to church can be daunting, so try inviting them to serve with you instead! Many people would love the opportunity to work on a Habitat home, serve breakfast to the homeless at Potter’s House, participate in the WES Community work day, interact with our GIHN guest families or even help sell parking spaces for the Grasshopper games (then go to the game afterwards!). These are fun ways to meet West Market people and to experience the love of Christ firsthand! Your friend will then feel more comfortable joining you for worship. So invite a friend to serve!
