Building on Faith 2010

"For every house is built by someone, but the builder of all things is God." Hebrews 3:4

West Market will build a townhome for a family, and *we want you to be a part of this awesome mission experience!* Here's how:

Construction

Anyone can be a construction volunteer! Construction will begin with a Building Blitz April 22-24, and then continue mostly Saturdays with the occasional Thursday through the end of June. Beginners are welcome and tools are provided.

Food

Volunteers are needed to provide lunches for the construction volunteers on weekdays (i.e. the first two building blitz days and all other weekday work days). This is a great way to follow the building progress and get to know the construc-

tion crew! It is also a good small group project.

Devotionals

Yes, everybody's favorite right — providing a devotional for the construction crew each morning of the build? While this may seem like a daunting task, it is amazing what the Lord can do when we but ask. He equips us in every way, and will do so to spread His Holy word. This is a vitally important part of the Habitat mission project, so please prayerfully consider delivering a brief message one morning.

Donations

Of course, we must pay for the project, and we are nearly at our goal of \$25,000. In fact, we have **less than \$2,000 to raise**. So please prayerfully consider making a donation to this project to make the dream of home ownership come true for a hard working family.

Inside Features:

- Costa Rica Intergenerational Mission Trip
- Outreach Ministry Team Recruitment
- GUM Food Drive Results
- Much More...

Did You Know?

- All Habitat Homeowners pay for their homes with 0% interest mortgages.
- Habitat homeowners must earn 300 hours of sweat equity by helping to build theirs and other families' homes.
- Graduation rates are higher and drop out rates are lower for the children of Habitat homeowners.

Well, the Lord did make me a rich man, not monetarily, but spiritually with a desire, a purpose, a passion to serve people no matter their circumstances. All I can say is thank you Lord and thank you WMSUMC for allowing me to LOVE...more than I have ever dreamed.

Rusty Boaeuf

"To share the love of Christ through our Outreach projects is most rewarding and humbling to me".

Dianne Druce

I am happy to be a part of the Outreach team, as it gives me the opportunity to get to know and work with other members of West Market Street Church as we reach out to the community in an organized and effective way. We are able to do so much more as a group than we ever could on our own. **Debbie Taylor**
